Must-know:

- **Hall opening times for exhibitors**

On 24 – 27 September 2024, the halls are open for exhibitors with an exhibitor pass **every day from 8.00 a.m.**

- **Exhibitor badge**

Please note that your stand staff will not be granted access to our exhibition halls without a valid exhibitor pass.

- **Travel**

For a perfect travel to the WindEnergy Hamburg 2024, please use our travelguide.

- **Waste disposal**

Waste left in front of the stands will be disposed of before and during the event for a fee. When booking one of our stand construction packages, 60 litres of waste disposal is already included in the price.

Valuable/raw materials that have not been registered and/or remain in the hall after you have left your stand will also be disposed of at a higher charge of 212,00 € per 1.1m³ waste container or part thereof.

We would therefore ask you to order your waste disposal in advance through the Online Service Center. Thank you.

- **Smoking is prohibited**

Smoking is not permitted in the exhibition halls.

Smoking areas are set up in the outdoor area.

- **Exhibitor survey at WindEnergy Hamburg 2024**

During the WindEnergy Hamburg 2024, hopp-Marktforschung (market research) is conducting a survey of all exhibitors on behalf of Hamburg Messe und Congress GmbH.

A market research team member will bring the questionnaire personally to your booth and collect it later. The survey is addressed to every exhibitor. **Your opinion matters.**

The results of this survey will be used for further improvements of the WindEnergy Hamburg. Of course, your answers will be treated confidentially.

Thank you in advance for your support in this matter.
